BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED: On or about September 25, 2019, at or near Douglas, in the District of Arizona, United States Border Patrol Agents (BPA) observed a Honda Civic pulled over on Paul Spur Road and three suspected illegal aliens ran out of the brush and got into the vehicle. Paul Spur Road is located approximately two miles north of the International Boundary Fence (IBF) and is a common area for vehicles to pick up illegal aliens. BPA encountered the vehicle westbound on SR-80 and conducted a vehicle stop. The driver was identified as Jayrando J Brady , a United States Citizen. BPA also encountered three passengers and determined that they were in the United States illegally. Material witnesses Bismar Nestor-Lopez, Jose Armando Hernandez-Meza, and Camilo Venegas-Martinez stated that they had made arrangements to be smuggled into the United States for money. Nestor, Hernandez, and Venegas each stated that they crossed the IBF with other subjects. Hernandez stated they walked to a road and hid. Approximately 10 minutes later, a blue almost gray Honda Civic stopped and the driver honked the horn. Hernandez stated that three of the six members of the group got into the vehicle. Nestor and Hernandez identifies Brady as the driver in a photo line-up. Venegas did not identify the driver. In a post-Miranda statement, Brady stated that replied to a post on social media. The post was asking someone to pick up and transport people from Douglas. Brady stated that on September 22, 2019, he picked up two people for Elfrida and transported them in the trunk to Phoenix. Brady stated he was paid \$400 USD. Brady stated that he contacted the unknown man for more work. He was instructed to pick up three people and to transport them to a hotel in Sierra Vista. Brady stated that when picked them up they came out of the brush wearing camouflage clothing. Brady stated that he was hoping to be paid \$1,200 USD this time.
